

Stoneville Elementary

Stoneville Elementary School is a PreK-5 school in the heart of the Stoneville community. Special events are held throughout the school year. Our students love Lunch on the Lawn, Math and Literacy Nights, Field Day, and supporting our 2 book fairs. We have an active Parent Teacher Association (PTA) which sponsors many fun events such as the Spring Carnival and Holiday Market.

Stoneville Elementary School

Stoneville Elementary is a Title I school. All students benefit from the resources provided through federal funds. Title I Specialists work with students in grades K-5. Title I funds help support parent involvements activities, such as Math and Literacy Nights.

Learning Opportunities

Stoneville Elementary School offers a variety of enrichment programs for all students. These programs include: Elementary All County Chorus, Bear Chorus, Bearfoot Dancing, Art Club, Playworks Junior Coach Club, and Go Far Running Club. Students in 3rd-5th grades can choose to participate in the Science Fair Elementary. Our 4th and 5th graders can join our Battle of the Books team.

Future Ready!

We are preparing students for the future through our use of technology. The majority of our classrooms are equipped with interactive whiteboards to enhance student learning. All students from kindergarten through fifth grade have 1:1 devices to use at school. Kindergarten and first graders use iPads, while all other grades use Chromebooks to support instruction.

Students participate in art, music, and PE as part of their curriculum. At our school library students can have many different experiences through books, STEM activities, and our LEGO wall.

We follow the Positive Behavioral Interventions and Supports discipline system (PBIS). We also use ClassDojo to contact and connect with our parents to keep them updated with everything going on at Stoneville.

Stoneville's Bear Motto for PBIS

Be Here

Earn Respect

Always Be Kind

Responsibility is Key

Safety First

Stoneville Elementary teaches about diversity. We embrace diverse learners through our A3 Club (Awareness, Advocacy, and Acceptance). We celebrate learners of all types through special t-shirt days.
